No Dock Cart Left Behind

Return dock carts to their designated area immediately after use. We try our best to accommodate everyone's needs but we need your cooperation.

Pets Aboard!

This is a friendly reminder to all boaters that all dogs must be on a leash. Overly aggressive or "unfriendly" dogs will be removed as well as dogs who aren't being cleaned after. Cleaning up after your dog is your responsibility and this includes the jetty area. We wish to keep this facility pet friendly but we need everyone's cooperation.

Message from the Dockmaster

Dear Pier 32 Boater,

We wanted to remind our Boating Community that all Vendors are to check into the Marina Office. We do require Vendors to have a current business license and insurance to operate here at Pier 32. Also, we permit all Vendors to work here during business hours. On the weekends, hull cleaning, boat washing is ok, with the idea we want to keep the noise down. We are happy to accommodate special requests and encourage our Boaters to communicate with us their needs. We are happy to help where we can.
