Message from the Dockmaster

Dear Pier 32 Boater,

Many boaters have been asking questions regarding the California Boater Card and when and how to obtain one. You will be required to pass an approved training course. Please visit the link listed for approved training courses and costs. Once you have successfully completed the course, the cost is \$10 for a lifetime card. To learn more about the California Boater Card, please visit californiaboatercard.com

Below is the schedule that will be used based on the age of the boater.

- January 1, 2018 - Persons 20 years of age or younger
- January 1, 2019 - Persons 25 years of age or younger
- January 1, 2020 - Persons 35 years of age or younger
- January 1, 2021 - Persons 40 years of age or younger
- January 1, 2022 - Persons 45 years of age or younger
- January 1, 2023 - Persons 50 years of age or younger
- January 1, 2024 - Persons 60 years of age or younger
- January 1, 2025 - All persons regardless of age

The card is issued by the California State Parks Division of Boating & Waterways. We do encourage safe boating practices and understand the need for boater awareness and education. We would be happy to help you find an approved boater education class to obtain your card.

Furthermore, our Summer Boater Appreciation Party is coming-up. This year it will be on the third Saturday of June and it will be a Luau Party so make sure to wear your Hawaiian shirts.

South Bay Family Sailing Series

-April 21, 2018 Saturday (7.99 nm)

What a fine day on the water on Saturday. If you were not there we hope to see you all for the May race. Here are the results of our April race.

Saturday, what a wonderful day for a sail. As the time for the noon horn approached the winds were 5-6 knots and we were all discussing how this was going to be a slow day for the full keel boats. At the horn there appeared to be about six, seven, or eight boats circling the starting line. When the horn blew everyone was across the starting line and on their way within 1-2 minutes. Everyone has improved their start! Bibbity Bobbity Boat was first across the line followed closely by everyone else.

Five minutes after the start everything started to go wrong! The wind piped up to 20-25 knots within about a minute. The air turned cold. We could see nothing in the sky, or water which might indicate there was a squall coming. Boats had no warning to reef their sails and boats were knocked over to 40 degrees. Everyone was hard pressed to reduce sails. Bon Temps recorded various gusts to 30 knots. Within 15 minutes the worst was past and the wind decreased to 18-20 knots. Looking around there were three boats left in the race. Bon Temps was in the lead followed by Consigliere and Sea Story. Going for the final mark on a down wind leg Consigliere caught and passed Bon Temps to cross the finish line first. Finish times are; Consigliere 13:43:35, Bon Temps 13:45:27, Sea Story 14:23:20.

Boat	Finish	Secs/NM	Prior	Benchmark	Corrected	Points	Cumulative
CONSIGLIERE BENETEAU 41 STEVE BRODBECK	13:43:35	778	710	656	723	0.75	5.25
BON TEMPS BENETEAU 361 TED/CLAUDIA BOWLER	13:45:27	792	656	656	792	2.0	14.0
SEA STORY PEARSON 39 JAY AND TANYA	14:23:20	1076	867	656	865	3.0	10.0

Next race is May 19, 2018 Saturday.

We hope to see you all out on the water.
