No Dock Cart Left Behind

Return dock carts to their designated area immediately after use. We try our best to accommodate everyone's needs but we need your cooperation.

Pets Aboard!

This is a friendly reminder to all boaters that all dogs must be on a leash. Overly aggressive or "unfriendly" dogs will be removed as well as dogs who aren't being cleaned after. Cleaning up after your dog is your responsibility and this includes the jetty area. We wish to keep this facility pet friendly but we need everyone's cooperation.

Message from the Dockmaster

The fall and winter months can bring a change in the weather. Sometimes this change can catch us all off guard. We want to be sure we get ahead of any potential high winds and stormy weather. If we can all take a moment to check our vessels, that would be great. A couple of things I would like to point are:

- Tighten up your Dock Lines to prevent damage to vessel and dock
- Strap up or secure Halyard Lines to prevent banging on the mast and spreader
- Secure Boat Covers
- Secure Tenders & Dinghies

This is just a small check list. You can learn more about storm preparation simply by visiting the websites of Boat US, Practical Sailor, Boatsafe and many, many more. Lets all have a safe and happy Holiday Season and have some peace of mind knowing we are prepared and am a good neighbor here in the Marina.
